Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Tulare County Association of Governments' (TCAG) Administrative Amendment No. 15 to their 2006/07 – 2011/12 Federal Transportation Improvement Program (FTIP). TCAG submitted this amendment consistent with the Federal Statewide Transportation Improvement Program (FSTIP) modification procedures. Since administrative amendments do not require Federal Highway Administration or Federal Transit Administration approval, this amendment has been included in California's 2007 FSTIP.

Please address any questions on this amendment to Joanne McDermott of my staff, at (916) 654-5611.

Sincerely,

for

Dear Mr. Curti:

The Tulare County Association of Governments approves the following Administrative Amendment to the Federal Transportation Improvement Program (FTIP). The following Amendment will be known as Amendment Number 15 to the 2007 FTIP. Amendment Number 15 includes two (2) projects: one from the Congestion Mitigation and Air Quality (CMAQ) and the Safe Routes to School (SRTS) program.

“The project(s) included in the FTIP by this amendment has/have been demonstrated to satisfy the requirements of 40 CFR 93.118 and 93.119 without a new regional emissions analysis in accordance with the provisions of 40 CFR 93.122(e)(2)(ii). Accordingly, the Project(s) has/have been included in the regional emissions analysis of the Regional Transportation plan’s regional emissions at the time of the transportation plan’s conformity determination, and that the design concept, scope, and implementation schedule of the project(s) is/are not significantly different from that described in the transportation plan. In addition, the funding for the project(s) will not delay the implementation of projects in the metropolitan transportation plan or FTIP.”

**Amendment No. 15 (Administrative Amendment)**

This part of the amendment satisfies the following conditions, which allows this action to proceed as an administrative amendment:

1. The change only affects projects which are presently air quality conformed in the TCAG 2007 Regional Transportation Plan and the 2007 Federal Transportation Improvement Program SAFETEA-LU Compliance Amendment No. 8;
2. The change will not affect the 2007 FTIP financial plan, as it will be entirely funded by revenues made specifically available for these purposes;

3. The changes will not interfere with the timely implementation of transportation control measures; The project is consistent with the adopted and federally approved Regional Transportation Plan; and
4. The changes are consistent with TCAG Board's Federal Transportation Improvement Program Local Adjustment and Administrative Amendment Procedures approved on November 23, 1998 and Expedited Project Selection Procedures adopted on August 20, 2007.

### **Administrative Amendment No. 15**

#### **Amendment No. 15 – Congestion Mitigation and Air Quality Program (CMAQ)**

The County of Tulare has requested one (1) currently programmed CMAQ project minor technical change and cost increase. The cost increase will be absorbed by the County of Tulare and not exceed the 80 percent CMAQ ratio as per the FHWA memorandum pertaining to Section 1131 of the Energy Independence and Security Act of 2007.

Subject: Updated TCAG Administrative FTIP Amendment No. 15

Joanne,

Attached are the requested changes to TCAGs FTIP Amendment No. 15. I updated the revenue sheets based on FTIP Amendment No. 14 (which will come Monday morning waiting for CTIPS to refresh to print out all project listings for SRTS and Safety). I separated out all SRTS projects they now have there own Report Grouping. I also separated them out on the Revenue/Program Sheets. Please process Amendment no. 15 as soon as you can, Mohsen Sanawi of Caltrans Dist 6 is awaiting approval. If you have any questions call me on my cell. 559-804-9988. Or call me Monday morning at 559-733-6653 ext. 4876.

Thank you for all your help.
